DIVE INTO PASTOR SHARESE'S

heart

Hello Ladies!

Healthy, kingdom connections are important to our growth as women, daughters, mothers, sisters, wives, and friends. **The Women's Gathering** is not just another meetup or opportunity to discuss important matters that we have a gift to address. It's a time for genuine connection, authentic relationship building, and the establishment of a sisterhood I believe God desires for us to have and steward well.

Truth is, I couldn't be who I am without you and we need each other to continue thriving, building, growing, learning, creating, remaining grounded, and being effective, loving, powerful women of God.

Our Heavenly Father sees us, knows us well, and is clear about what we need. My hope is that **The Women's Gathering** will reflect the Father's heart in our connecting and learning more about the sister we speak to daily, see weekly, or pray for, as God leads. I also hope new friendships will be birthed.

It's important that we know who is "in the room" so we can become a strong sisterhood with an unmatched ability to support, strengthen, and strive together.

I'm excited to spend this time with you!

Love,

Pastor Sharese

DUES: OUR COMMITMENT TO BUILD

importance

Regular contributions are a critical part of ensuring the success and sustainability of our ministry. These contributions are the lifeblood of our organization and allow us to continue to provide important programs and services to our community. Every dollar we receive in regular contributions goes towards furthering our mission and supporting those in need.

benefits

Contributing dues allows us to be more effective in all that we do, making a greater impact in the lives of those we serve. Additionally, consistent giving helps to ensure that we have a stable source of income throughout the year, rather than relying solely on periodic donations or fundraising events. This stability allows us to focus more on our local and global missions - which consists of but not limited to:

- bereavement in our sister community
- scholarships
- helping sisters build
